Dear Friend of the Mary E. Smith Foundation, Inc.,

Last year it was estimated that **86,000** people would receive a primary brain tumor diagnosis. Brain tumors are now the leading cause of cancer death in children less than age 20. They are also the second leading cause of cancer death in females under 20 and male adults up to age 39. Today there are an estimated **700,000** Americans living with a primary brain tumor. Despite new legislation and incremental advances in treatment options, there is still more work to be done.

The **Mary E. Smith (M.O.M) Foundation, Inc./Memories of Mary** is a nonprofit 501(c)(3) charity dedicated to the memory of Mary Elizabeth Smith. Since our incorporation in 2008, the organization has been committed to winning the fight against brain tumors. The foundation is active in the community and has donated over **\$80,000** to the cause. Our support includes awarding medical screening awards to assist with the cost of MRI's and CT scans. Providing funds to support the education of survivors and/or their immediate family members. As well as giving financial assistance to our future leaders in Neurology and Oncology.

We invite you to join us in the fight against brain tumors by purchasing an Ad in our **Shoe Away Brain Tumors Advertisement Book** for our upcoming Scholarship Gala, Shoe Show and Auction. We will also highlight information on your business/organization/group at our Annual 5K Brain Tumor Awareness Event. This opportunity provides exposure to an audience of **500+** participants across the Chicago Metropolitan and suburban areas. Please consider one of the following:
